Self Introduction Model :

A brightful and cheerful morning to everyone. First of all, thank ~~for~~ you for giving me this wonderful opportunity to introduce myself.

I am Raja from vijayawada. My father name is Ksanthi Kumar and he works as a supervisor in an oil company. My mother name is smt Renuka and she is very hardworking homemaker.

About my qualification, I had completed my 10th standard in Abhyasa Vidyalayam, English medium school, affiliated to SSC, Andhra Pradesh. Later I completed my intermediate with course Biology, Zoology, physics and chemistry (BIPC) in Andhra Loyola College, vijayawada.

Now I am pursuing my Bachelors Degree in science wing ~~at~~ at Pasathaneni Brahmayya siddhartha college of Arts and science, vijayawada.

My hobbies are listening music, ^{coding} ~~singing~~, dancing and researching. I like to learn new things. I am a self motivating person, who never gives up, no matter whatever the situations & its my strength actually.

My goal is to ~~become~~ ^{build} a successful career where I can apply my knowledge, continuously improve my skills and contribute to the organization's growth. Meanwhile I have a short term goal

wanna be gold medalist in my bachelor's degree as well as in my post graduation. I am very simple and Broad minded person. so I believe in learning from my past mistakes and experiences. I like working in a structured and positive environment, collaborating with people, and taking on challenges that help me grow.

Thank you for giving me the opportunity to introduce myself.
